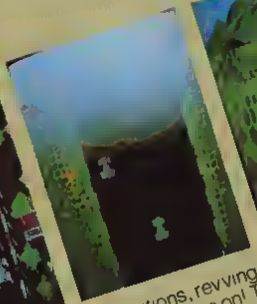
TAITO

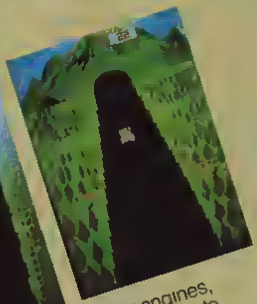
GRAND CHAMPION™

The REAL winner in the race for PLAY and PROFITS!

You have the drive. Now you have the machine! Grand Champion puts players in control of the ultimate driving game . . . and puts you in control of ultimate game profits!

For real European style racing and a challenging test of driving skill, Grand Champion wins out over all the rest!





The course is plotted. The drivers take their positions, revving up their engines, their adrenaline pumping. The flag is lowered and the race is on! The player shifts to high gear and breaks from the field. With a deafening screech of tires, he floors the accelerator to lap his opponents! Along a rain-slicked course, through thunder lightning, rain, sleet, snow, along a track that suddenly divides, through a dark tunnel and a blinding fog that headlights barely penetrate, it's a race against a field of speeding daredevils and it's a race against the clock!

As he burns up the road, the Radar Screen lets the player scan the positions of the other cars as it warns him of the realistic hazards that will challenge his skill, his perception, his ability to react quickly. The Position Indicator flashing his progress all through the race, together with words of encouragement and challenge, urge the player on faster and faster until a collision takes him into the pit and slows down his race to the finish! If a player is ranked among the top cars at the end of the race he gets a chance to conquer the next, even more difficult course!

Grand Champion's sleek, space-saving, fully-loaded cabinet is Taito tough" and quality-built to give you more miles per model Domestically manufactured, it positions the controls within easy reach of all players

Grand Champion.
The name says it all!
